A smartphone screen displays a video call interface. The main screen shows a woman with blonde hair wearing a white lab coat. In the top right corner, there is a smaller video feed of a man, presumably the clinician. At the bottom of the screen, there are icons for microphone, camera, end call, and other functions.

STEP FOUR

Connect with a clinician

Join a video visit to discuss your symptoms, medical history, and treatment options with a clinician.* If medication is prescribed, it will be sent to the pharmacy.
